TAX PRACTITIONERS GLOBALLY

WHAT WE DO

Transactions

We act on tax-driven IP restructurings, acquisitions, disposals and migrations

Structuring

We advise on IP/tax strategy and structures, looking around corners to closely monitor the rapidly evolving tax landscape to identify what that means for your business

Transfer Pricing

We provide transfer pricing analyses of IP licenses, transfers and other IP-related intra-group relationships, using inhouse legal and economist expertise

Valuation

We value intangibles for a variety of purposes citing our unique inhouse economist capabilities

WHY WE ARE DIFFERENT

Quality

We are consistently rated as one of the top IP and tax practices globally. We have the right resources where you need them

Integration

Our tax practice is integrated with our transactional IP lawyers, ensuring that we spot and address the tax issues across 47 countries

End to End Advice

Unlike accounting firms, our tax team can represent clients in all phases of tax matters, leveraging our IP and tax lawyers, economists and advisers

Implementation

We excel at taking tax planning from concept to practice, using our multi-disciplinary teams in IP, tax and corporate reorganization

WE ADVISE ACROSS GLOBAL TAX POLICY, TRANSFER PRICING, INDIRECT TAXES,
DISPUTE RESOLUTION AND WEALTH MANAGEMENT MATTERS

"Exceptional tax practices in Asia, the USA and Europe, with unsurpassed breadth of coverage for tax law globally. Distinguished for advising on the tax elements of multibillion-dollar cross-border corporate acquisitions and divestments, base erosion and profit shifting (BEPS) matters and advance pricing agreements." —**CHAMBERS**

"...unsurpassed breadth of [tax] coverage." —**CHAMBERS**

"The advice is not just country-specific and we get a lot of feedback on what is happening in other countries. In my industry, there are all sorts of global changes and regulatory developments, so it is good to get another perspective." —**CLIENT QUOTE, CHAMBERS**
