

Global Acquisition Finance Guide

The 2015 Global Acquisition Finance Guide app, a comprehensive guide for market participants, provides a summary of regulations applicable to acquisition finance transactions around the world. It covers 36 jurisdictions and brings together the collective knowledge and experience of more than 670 banking and finance lawyers in Baker McKenzie's global network.

About Baker McKenzie's Acquisition Finance Practice

Our reputation in the leveraged finance world is built on providing real added value. We have the reputation of having a commercial outlook focusing on all aspects of the deal. Our approach is to provide input not just on the technical terms of the banking documents, but also on strategy, tax and other structuring and commercial issues.
