

## Representative Legal Matters

Désirée Prantl

### Arbitration

- Successfully defended an Austrian headquartered global leader of intralogistics solutions in a dispute against a Russian market leader in the fashion area involving issues of delay, force majeure and sanctions under the Rules of the International Commercial Arbitration Court at the Chamber of Commerce and Industry of the Russian Federation. This is a landmark decision as we prevailed in a Russian forum before a Russian tribunal who acknowledged European sanctions as force majeure. The counter-party's challenge of the award was dismissed.
- Successfully defended a Kosovar state-owned telecommunications company in a contractual dispute against a Kosovar telecommunications company which included allegations of bribery under the Swiss Rules. The counter-party's challenge of the award was also dismissed.
- Successfully defended the Romanian branch of an Austrian headquartered global industrial solution provider in a dispute arising from the construction of a nitric acid production plant in Sweden under the ICC Rules seated in Zurich.
- Successfully defended a leading payment service provider in a post M&A arbitration under the ICC Rules. Du to our jurisdictional argument, the counter-party offered settlement on favorable terms for our client.
- Representing a Germany based global market leader of battery watering filling systems in a dispute with its longtime supplier involving complex requests under the DIS Rules.

### Commercial Litigation

- Representing a leading global provider of cloud software products for businesses in industry-specific markets in disputes arising from the implementation of its ERP system before court and in mediation proceedings.
- Representing a leading financial technology company as joined party in court proceedings where the counter-party blames defects of the software for the failed project.
- Representing the Austrian leader of intralogistics solutions in a dispute against a leading Austrian furniture company regarding issues with the implementation of the WMS and software.
- Representing a local fashion store in various court proceedings against its landlord, a development tycoon, comprising extraordinary termination, eviction and damage claims.
- Represented a luxury hotel chain in several disputes related to failed high volume real estate projects in the city center of Vienna.
- Represented the Austrian branch of a multinational table manufacturer against a damage claim from the former proprietary of the retail space dealing with a highly controversial legal matter related to real estate.

- Represented the new owner of Austria's largest amusement park in a post M&A dispute involving warranty claims.

### **Insolvency**

- Representing Slovenia's most successful start-up company which has become a global market leader in the purification of biomolecules against revocation claims lodged by the insolvency administrator.
- Representing a Spanish leading construction company in litigation proceedings connected with Austria's second-largest insolvency, where our work contributed to precedent-setting Austrian Supreme Court decisions on equity replacement and intra-group financing.
