

Representative Legal Matters

Kyle Soekoe

- Advising the lender group in respect of the 25 MW Ngodowana Bio-Mass Project under the Department of Energy's Renewable Energy Independent Power Producer Procurement (REIPPP) Programme. Advising on the PPA, IA, EPC, O&M, Fuel Supply, Site arrangements and Financing Agreements.
- Advised AIIM Africa on due diligence of two solar PV projects situated in Namibia.
- Advising Nedbank in respect of the Zeerust solar PV project and the Droogfontein II solar PV project under the REIPPP Programme, and in respect of which Old Mutual Life Assurance Company (SA) Limited is the lead equity member.
- Advising a multi-national energy company and Korea Power Corporation on the Department of Energy's Coal Baseload IPP Programme in South Africa.
- Advising the lender on the refinancing of a 16 MW gas fired peaking power plant in Wales.
- Advised a consortium of banks in respect of the local law aspects of a USD 200,000 term loan facility made to Investec Bank Limited.
- Advised a consortium of banks in respect of the local law aspects of a USD 425 million term loan facility made to Investec Bank Limited.
- Advised a consortium of more than 30 banks in respect of the local law aspects of a USD 600 million syndicated loan facility to Investec Bank Limited, the South African subsidiary of Investec Limited.
- Advised the Bidvest Group Limited on the financing of the ZAR 2.7 billion acquisition of Noonan from Alchemy Partners.
- Advising the African Development Bank and NEPAD-IPPF on a study on enabling infrastructure framework for oil and gas in several African countries.
- Drafting and preparing the materials for a week's worth of intensive training for key staff of the Southern Africa Power Pools and government utilities. Training was held in conjunction with the African Legal Support Facility, African Finance Corporation and Infrastructure Consortium for Africa. The training centered around the legal and financial aspects of project-financed energy projects and the negotiation of complex commercial transactions in the energy sector.
