

## Representative Legal Matters

Yuichiro Omori

### **International Arbitration Cases**

- Represented the sellers in an ICC arbitration in Singapore in a dispute involving the calculation of the share purchase price and alleged breaches of representations and warranties under the Share Purchase Agreement.
- Represented a ship-building company in a complex ship construction dispute from the pre-arbitration stage in an LMAA arbitration in London.
- Represented a trading company in a series of JCAA arbitrations in Japan (a total of five cases) in foreign gold mining project disputes.
- Represented a trading company before the Tokyo District Court in a case concerning the setting aside of an international arbitration award.

### **International Litigation and Mediation Cases**

- Assisted a major cosmetic company in a customer complaint dispute in the US California State Court over jurisdictional objections.
- Represented a major pharmaceutical company before the Labor Tribunal of the Tokyo District Court in a dispute regarding the discharge of its Tokyo branch's CEO.
- Represented a major foreign furniture manufacturer before the Tokyo District Court in an unfair IP competition dispute.
- Represented a major foreign cosmetics company before the Tokyo District Court regarding a customer complaint dispute.

### **Antitrust / Competition Investigation Cases**

- Conducted investigations, filed leniency applications to competition authorities including the Japan Fair Trade Commission (JFTC) and the US Department of Justice, and negotiated with the client's customers for settlements in alleged international cartel cases (a total of three cases) by automobile parts manufacturers.
- Conducted investigations and filed a leniency application to the JFTC regarding an alleged bid-rigging case by a construction company.
- Conducted investigations and assisted negotiations with the JFTC to reduce possible fines regarding an alleged abuse of dominant position violation case by a major electronics retail store.

# Baker McKenzie.

- Provided legal advice to an industrial association composed of bearing products manufacturers, including advice on strategies on preventing future cartel activities by its member companies, drafting internal rules and guidelines, and physically monitoring its meetings.

## **Other Investigation Cases**

- Conducted investigations in an alleged breach of the US Public Company Accounting Reform and Investor Protection Act of 2002 (Sarbanes-Oxley Act) case by a mail order company's Japanese subsidiary.
- Assisted an independent investigation committee's work (including interviews to relevant parties, its research of relevant laws and the drafting of an investigation report) in an alleged improper collection of privacy information case by a mobile phone application company.
