## **HHP Law Firm Moves to New Premises in Anticipation of Future Growth**

Jakarta, 23 April 2018: One of Indonesia's leading legal providers, HHP Law Firm, has today relocated to new premises to create a more collaborative workspace for colleagues and clients, and to provision for future growth. HHP is a member firm of Baker McKenzie, one of the world's largest global legal services providers.

The law firm has moved from Tower 2 of The Indonesian Stock Exchange Building to Pacific Century Place (PCP) Tower, a new development with the latest in amenities and green, sustainable building design.

The new tower has been awarded a Leadership in Energy and Environmental Design (LEED) certification, and is already being tenanted by some of Indonesia's leading corporates and financial institutions and the local operations of several multinationals, offering HHP Law Firm excellent proximity to many key clients. Like the Indonesian Stock Exchange, Pacific Century Place is also located in the Sudirman Central Business District, and therefore at the heart of Indonesia's business community.

After almost 30 years supporting clients navigate Indonesia's unique business and legal environment, HHP Law Firm has now grown to approximately 120 legal staff and more than 300 employees, with further growth set for the years ahead.

Therefore, the firm has taken up two full floors (35 and 36) with a total area of approximately 5300m<sup>2</sup>. The move is the culmination of 18 months of planning, and is HHP's first office move in 20 years.

Commenting on the new premises, Timur 'Titung' Sukirno, Managing Partner, HHP Law Firm, said:

"The legal industry is evolving to be more flexible, dynamic and tech driven. With today's complex and fast changing global business environment, law firms also need to be commercial, pragmatic and collaborative to ensure growth opportunities are seized and risks are managed. Through state of the art facilities and well designed spaces, this office move will help us to be new lawyers for this new client reality."

Baker McKenzie is the leading law firm in Asia Pacific, with 17 offices in 12 jurisdictions across the region.
