

### Who we are

Our German desk assists clients from the DACH region with their investments and business activities in Ukraine. Our DACH desk lawyers provides you with full legal support in German. We understand the risk appetite and risk-mitigating approach required under German, Swiss, Austrian and EU law when doing business in Ukraine. The head of our German desk, Ario Deghani, is a German lawyer with seven years of experience in assisting DACH clients with their business activities in Ukraine.

### Services for our DACH clients

-  Pre-investment risk assessment of legal, compliance and regulatory requirements to enter the Ukrainian market
-  Establishment of a Ukrainian subsidiary, manufacturing plant or representative office
-  Integration and maintenance of the German, Swiss, Austrian, Ukrainian and EU law regulatory requirements of your Ukrainian business
-  Lobbying of your interests before Ukrainian governmental institutions, regulatory authorities and industry groups
-  Full-circle support on any legal matter under Ukrainian and/or applicable foreign law with our global team.
